

LINYI SHANSONG BIOLOGICAL PRODUCTS CO., LTD.

Add: Bancheng Town, Lanshan Distirct, Linyi City, Shandong Province, China

Technical Data Sheet

Product Name: ISOLATED SOY PROTEIN SSPI-90G1W

Description: It is made from high quality Non-GMO soybean, produced and designed for application in western-style sausage, ham and other Western-style low-temperature meat products, high-temperature sausage products etc....

Physical and chemical index	
Color	Cream or light yellow
Odor	Light
Protein (dry basis, N×6.25, %)	≥90
Moisture (%)	≤7.0
Fat (%)	≤1.0
Ash (dry basis, %)	≤6.0
Crude fiber (dry basis, %)	≤0.5
Particle Size (100mesh,%)	≥95
Urease Activity	Negative
Microbiological index	
Total plate count	≤10000cfu/g
Coliform	≤30MPN/100g
Yeast & Moulds	≤100/g
E.coli	Negative/10 g
Salmonella	Negative/25 g
Heavy Metal index	
Lead (ppm)	≤0.2
Arsenic (ppm)	≤0.3
Mercury (ppm)	≤0.02
Cadmium (ppm)	≤0.1

Characteristics: excellent gelification, good solubility, improve texture and slicing, anti-dust, raise product yield-ratio, reduce product costs.

Packaging: in CIQ-inspected Kraft bags lined with polyethylene bags, packed in closed bacteria-free workshop which was built according to GMP standard, so that the product quality is guaranteed. Net weight: 20 kg/bag, 25 kg/bag, or up to the buyer's request.

Transportation and Storage: Keep away from rain or damp during transportation and storage, and not loaded or stored together with other smelly products. To be stored in a dry and cool place away from sunlight, best storage temperature: below 25°C, Shelf life: 12 Months
